7. TERMS OF CONDITIONS

Applicant shall:

1. Deposit security amount as per the rate prescribed by Thimphu Thromde i.e. Nu. 1000/- per truck load.
2. Dump only in designated areas as indicated in the waste disposal permit Section 5.
3. Engage only the approved vehicles for transportation as indicated in the permit. In case there are changes in the transportation vehicles, the information must be shared with the concerned officer.

4. Ensure that all engaged drivers carry valid approval permit during the transportation and disposal period.
5. Brief all engaged drivers about the terms and condition before the commencement of the work.
6. Ensure that all vehicles drive smoothly to avoid any inconveniences to the commuters.
7. Depute only conditioned vehicles for transportation to avoid any accidents and to prevent noise and air pollution.
8. Prevent any spillage of muck/waste over travelling route during the transportation.
9. Ensure that any damages caused to public properties during the transportation are reinstated to its original state by the client.
10. Clean the route used if the route becomes muddy due to transportation.
11. Update daily progress to the concerned officials for proper record and coordination.
- 12.
13. It is mandatory to level the site once the soil/construction demolition wastes are dumped.
14. The site must be handed over officially to the concerned officer upon completion of the works.
15. Surrender the permit to concerned official after completion of work (transportation).
16. Ensure the collection of the security deposit money within 30 days on completion of dumping of the soil/construction & demolition waste work or else it shall be forfeited.
